Remarks: Ray: Thanks, yes; good idea. I see FCS is baying down this trail with a msg to BBC on whether it's official or not. We'll watch for the answer and then see where we are. With luck it will be regarded as official and non-purchasable, thus able to be treated in the open. Though I must confess that the distinction has been one that escaped me. rhb <div style="text-align: right;"><i>Bob</i></div>

REMARKS:		
<p>Bob: Suggest we be prepared to explore possibility of purchasing Portuguese LUSITANIA press service. The entire communications set up in Portugal is being reorganized and liberalized and we are getting some good stuff already.</p> <p>The other press service (with official sponsorship--although still privately owned) is ANI but I haven't seen much of this.</p>
